Oops, thank you, I forgot that was a bad day. There is a motion to suppress pending, so it may not be an issue anyway -- I'll keep you posted.

Best,

Cary

I'm writing to confirm that I have received your summons for the [REDACTED] trial scheduled for April 7th, 2010. However, as with the [REDACTED] trial, I already have a trial scheduled in Pittsfield that day. As previously mentioned, I will keep you informed if I hear anything about the Pittsfield case. Thanks.

I'm just writing to confirm that I have received your summons for the [REDACTED] trial scheduled for April 7, 2010, however I already have a trial scheduled in Pittsfield that day (I also have a second trial scheduled in Springfield that day). The Pittsfield ADA's are pretty good about keeping us informed with changes in their cases (continuances/pleas/etc.), so I will keep you informed if I hear anything about that case. Thanks.
